Tiles & Bathware —

A return to the essence of nature

Welcome to the world of timelessness with our innovative “Grano” surface, a perfect fusion of past and present.

Through a careful and advanced technique, we have managed to give an aged effect to the surface of our porcelain tile giving it a natural texture that captivates the senses. Each piece becomes a unique masterpiece, with subtle nuances that reflect the beauty of the passage of time and where authenticity and sophistication merge in every detail.

Nature as his muse

The soul of Grano lies in its full-body colored finish, where each of its five tones evokes the richness and depth of the earth, capturing textures and nuances that transform any space into a haven of serenity and style. With Grano, each tile not only covers a space but fills it with life and meaning, reflecting the essence of those who inhabit it.

Understated, unmatched.

It whispers through refined textures and balanced tones. With its subtle Grano surface and naturally inspired palette, each tile brings quiet confidence to modern interiors. It's design that doesn't demand attention, yet effortlessly holds it — a perfect harmony of restraint and distinction that's simply unmatched.
