CREATION FOR
INTERNAL LUXURY

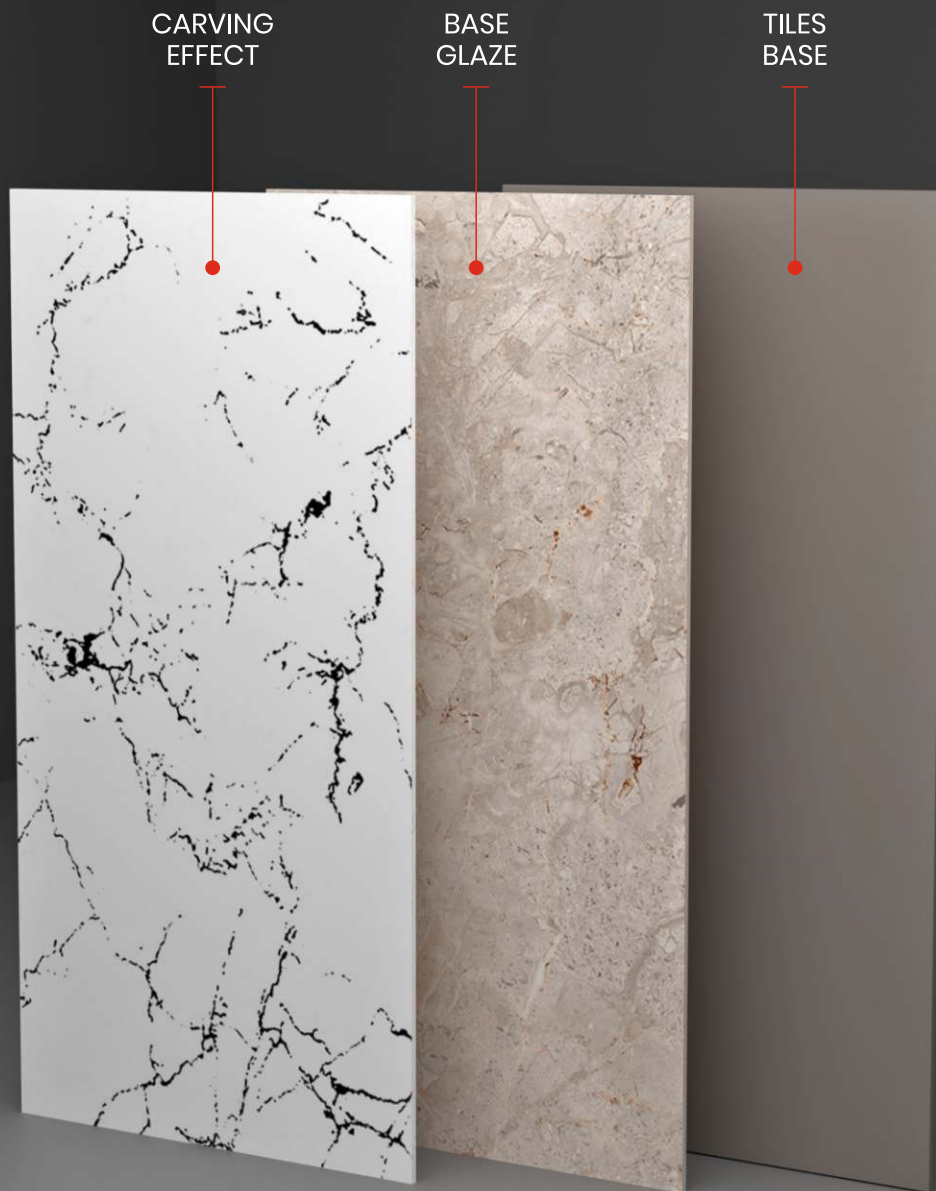

2017 – ESTABLISHMENT YEAR

Maps Group was established back in 2010 and therefore its ceramic segment and products meet an extraordinary level of perfection and brilliance due to their more than a decade-long experience. Their forte lies in the latest technology, artistic design, and fine craftsmanship. At maps, we have adopted state of the art technology from Italy (SACMI).

Besdes, we have a team of experts on board who work day in day out to fulfill customer's expectations and demands. Our vast distribution channel helps us to reach to customers from different walks of life. Collection at Maps has a fine blend of visually pleasing and technically sound vitrified tiles that are developed to raise the bar of decor aesthetics that keep on evolving time and again to respect the changing times and desires of our group of companies has a total production capacity of 14 Million sq.mtr /Annual.

PRICELESS LEGACY OF
CARVING
600X1200MM

CARVING SERIES

Most commonly preferred flooring for both residential and commercial sectors because it can withstand heavy traffic and is relatively low maintenance. The tiles themselves are usually 9 mm thick, so they give the tile surface more strength.
